Grand Final Charity Lunch 2022

Our Grand Final charity lunch is back this September!

This year, we are supporting two charity beneficiaries - Make a Wish Foundation and Wayss. It is important for the Chamber to support our local community, with all proceeds from the event being shared between them.

We are excited to announce that we have two guest speakers - **JASON AKERMANIS**, and from the AFLW **DARCY VESCIO!!**

Both players will be talking all things footy, individually and together and we can't wait to hear and discuss their viewpoints.

RJ Sanderson Platinum Partner networking night

In July night we held our Platinum Partner networking evening in conjunction with RJ Sanderson at their stunning newly renovated Dandenong office.

We got to hear some top tax tips from Roy Sanderson himself, and two lucky guests won the door prizes on the night.

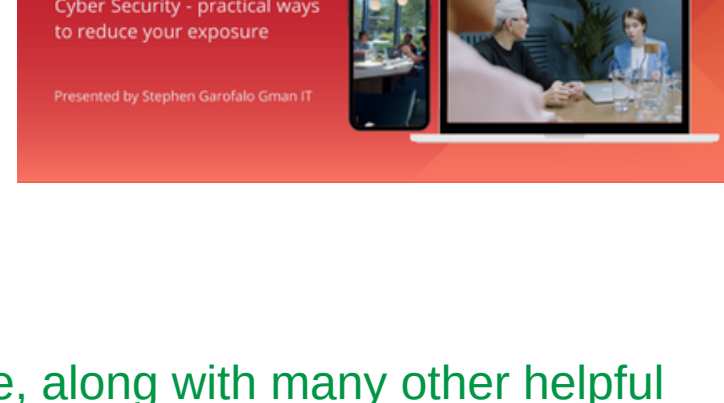

And we cannot forget to mention the AMAZING grazing table by Nola's Foodstore - Safe to say this table was a big hit!

We love hosting our networking nights, and seeing the new business connections being made! Head to our [upcoming events](#) page to see the events the Chamber is hosting and grab your tickets online!
