Is this course right for you?

The course is designed for first time directors or aspiring directors considering taking a position on a not-for-profit board. Executives at not-for-profits will also gain a deeper understanding of the functions of their boards.

Participants will gain an understanding of fundamental compliance and performance related roles and responsibilities of not-for-profit directors, specifically in the areas of governance, risk, financial performance and strategy.

What will you learn?

What can you expect?

The course is taught in an interactive manner by a facilitator with extensive real world experience in the not-for-profit sector.

Duties & Responsibilities of the NFP Director

- Gain an understanding of the role of the NFP director in governing the organisation and how this differs to the for-profit sector.
- Understand the potential liability of directors and committee members.
- Appreciate the balance between the compliance and performance roles of the board.

Course Details

Strategy and Risk for the NFP Director

- Appreciate the directors role in setting and overseeing strategy whilst monitoring risk.
- Identify the link between strategy and risk management, risk culture and effective leadership.
- Enhance organisational performance through effective contribution to strategy formulation.
- Understand personal risk appetite and how this affects board decisions.

Finance for the NFP Director

- Learn to interpret the major elements of the financial statements and the linkages between them to evaluate the financial performance of the organisation.
- Explore how to apply and interpret financial ratios applicable to NFP organisations.
