South East Business Awards 2022

Greater Dandenong Chamber of Commerce is excited to present the 2022 South East Business Awards.

This year's awards program will be bigger and better, with more categories and awards than ever before!

The Awards Program is free to enter and aims to provide you with recognition for your outstanding business achievements and contributions to the South East area. All successfully nominated businesses will come together for the final awards presentation event in October, where the category awards are presented.

If you have a great business story, consider nominating yourself for an award. Alternatively, if you know of an outstanding business in your area, show your support for business excellence by nominating a business you know and respect.

You can nominate in the following categories:

Business Innovation Award
 Environmental and Sustainability Award
 Community Initiative Award
 Business Citizenship Award
 Student Engagement Award
 Micro Business Award
 Hospitality, Tourism & Leisure Award
 Retail Award
 Professional Services Award
 Advanced Manufacturing Award
 Building and Construction Award

We are very excited to be able to introduce our new community platform - Chamber Connect.

Chamber Connect is your connection to an incredible resource – 500+ of your colleagues who share your challenges, uncertainties and successes. We hope you will find it to be a place where you can ask advice, share your experiences and build relationships.

We know the value that our members put on networking and educational opportunities we provide through our events, workshops and programs throughout the year. To build on that value, we are excited to enter this new phase of collaboration by providing businesses an environment to connect, engage and share experiences, industry information and best practices, seek and share advice, exchange resources and build relationships.

Chamber Connect is FREE to join and is available to members and non-members of The Chamber. You can sign up to Chamber Connect and join in on the discussions by filling out the form here.
